My Drawing series takes Asian carpentry cognates in abstract loops in a series which as drawn through my cyber medium perform something as an accelerator towards the particulars of the series as they join what might be termed the pre- and post philosophical dimensions of these visual rhetorics.

Pre-philosophy- the sense of intuition by which the Pre-Socratics mediated discourse towards a more active poetics, and Post philosophy of pragmatics in which topologies (patterns) emerge to a semiotic discernment towards the phenomenological ends of experience become embedded in my art presentation to some involvement with patterns per se . The block, or drawing which has an embedded sense of the series transmits towards the pattern experience a different field than the originary sense of pattern might seem to suggest...
